Class of 2012 Post-Baccalaureate Status Report
Executive Summary

The Career Services and Internship Office provides programs, activities, and individual career advising to assist students in developing a general perspective of life/work planning, as well as evaluating and effectively implementing specific job search strategies. The Post-Baccalaureate Status Report includes information collected from the Undergraduate College class of 2012 6-12 months after graduation. The data was obtained from the graduates through an on-line survey, email follow-up, LinkedIn and Facebook contacts, and through contact with faculty members.

A total of 312 graduates were surveyed resulting in a response from 207, thus representing 66% of the class of 2012. The graduates surveyed were identified as earning their Bachelor of Arts degree in the 2011-2012 academic year (December 11 + May and August 12) by the Office of Institutional Research.

- ✓ Of the 207 who responded, 86% graduates are employed full-time (61%), attending graduate school (20%), participating in a long-term volunteer placement (4%) or serving in the military (1%). 9% graduates are employed part-time and 5% graduates were not employed but seeking employment at the time they completed the survey.
- ✓ Overall, 41 (20%) survey respondents are continuing education either part-time or full-time (25% in 2011, 26% in 2010, 24% in 2009, and 34% in 2008).
- ✓ Of those continuing education, 71% of graduates are pursuing a master's degree; 17% M.D., J.D. and other professional; 7% PhD or similar program; and 5% Certificate.
- ✓ 10 graduates (4%) indicated long term service as their primary activity.
- ✓ The geographic distribution of the responding 2012 graduates shows 137 (66%) residing in Minnesota, 21 (10%) in Illinois, 16 (8%) in Wisconsin and the other 33 (16%) residing in 18 different states and five different countries.
